Do you currently have these credentials from LHDN?

- ☐ **MyInvois Client ID** (obtained from LHDN portal)
- ☐ **MyInvois Client Secret** (obtained from LHDN portal)
- ☐ **Intermediary authorization** confirmed by LHDN
- ☐ **Digital certificate file** (X.509 format, .pem or .pfx)

If you checked all boxes above, please proceed to Section 2.2.

If you are missing any credentials:

⚠ Important: You must obtain LHDN credentials before we can proceed with onboarding. This process typically takes 5–10 business days.

Next Steps:

1. Register at <https://myinvois.hasil.gov.my>
2. Apply for intermediary authorization
3. Obtain digital certificate from approved Certificate Authority
4. Contact us to reschedule your onboarding session

We can provide guidance through this process if needed (billable consulting: RM 1,500 for 2-hour guided setup session).

2.2 Certificate Details

If you have your digital certificate, please provide:

Field	Your Information
Certificate file format	☐ .pem ☐ .pfx
Certificate issuing authority (CA name)

3.5 Integration Preference

How would you prefer to integrate with the e-invoice platform?

- ☐ **Real-time submission** (invoice sent immediately after creation)
- ☐ **Scheduled batch** (invoices collected and submitted 1-2x daily)
- ☐ **Manual upload** (export CSV daily, upload via dashboard)
- ☐ **Not sure yet** (we'll recommend during onboarding)

Section 4: Sample Data Request

Critical for integration planning:

Please attach the following to this email:

- ☐ **3-5 sample invoices** (PDF format or printed screenshots)
- ☐ **Sample invoice data export** (if your system can export: CSV, JSON, XML)
- ☐ **Screenshot of invoice screen** in your current system (if available)

Why we need this:

- Understand your data structure

- Map fields to LHDN requirements
- Identify missing data (buyer TIN, MSIC codes, classification codes)
- Estimate integration complexity accurately
